

AFYA NEEDS CRUTCHES

Working collaboratively with Crutches 4 Kids and Operation Rise, Afya needs your help to collect as many crutches as possible by the end of September!

We aim to bring mobility to a country which holds 20% of the world's amputees and tens of thousands of Polio victims.

Afya will serve as the central source for donations and will ship thousands of crutches to Sierra Leone.

Help us give others the opportunity to stand and walk again.
